Dear Friends:

It has often been said, "If you want to toot your whistle bring along the steam." That's what WE are going to do April 25th, because we are really "steamed up" over our sale cattle.

At the recent Fort Worth show, against strong competition, we exhibited two pens of bulls and won champion and reserve champion pen of three.

In the individual classes we exhibited five bulls in four classes and won first and grand champion, second, first and third, and third — toot! toot!

We would love to have you as our guests. Come and bring your friends April 25th.

The Scofields

You Can't Afford to Miss This

Great Individuals — Perfect Pedigrees

(PLUS)

FREE FREIGHT

We will deliver free of charge to any designated point or port of debarkation (cattle for export) in the United States all animals purchased in this sale, regardless of the number purchased — one or a carload!

April 25th on your calendar!

DO YOU NEED A HERD BULL NOW?

We are selling only 7 bulls, so that we can honestly say each one is a herd bull prospect.

We own (either entirely or in partnership) the sire and dam of every bull offered here.

WE KNOW WHAT THEY WILL DO

STOP— and read the pedigrees

LOOK— closely at the pictures

LISTEN— to 56 years of Shorthorn know-how.

WILL YOU NEED A HERD BULL LATER?

The females offered here are the result of over a half century of looking forward—to the brighter tomorrow—to the better beef cow—and to the satisfaction of a job well done. Carrying the service of America's top herd bulls, they are—

“TOPS of the Shorthorn World”

Uppermill Conqueror

To further set the type of the great breeding cow Crocus Celia (259116) that is doing such a grand job for James Durno at Uppermill, we purchased this exceptionally deep, short legged, heavy boned, mellow fleshed bull, a maternal brother to our senior herd sire Uppermill Comrade, and sired by Bapton Upright who needs no introduction to Shorthorn Breeders of the last ten years.

CRUGGLETON BENHAM—The result of the combined efforts of Calrossie and Cruggleton, Benham is a half brother to Calrossie Welcome. I firmly believe he is destined to be one of America's greatest breeding bulls. This 1954 National Champion Bull had the fastest rate of gain (when fitted last year) of any animal ever on this place. His first calf sells as Lot 7; other calves dropped since Jan. 1st may be seen at sale time. They are the greatest!

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later submitted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service data.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
